

Things you could do at home:

- Pretending to be in a swimming pool at bath time
- Put on swimming costumes and pretend the living room floor is a pool
- Visit a swimming pool

Rhyme of the Week

We will also be providing you with a “rhyme of the week” and ask that you practice this at home with your child as a first step towards early phonics.

Down by the River

Down by the river where the green grass grows, there is (child's name), washing his/her clothes

She/he sings, she/he sings, she/he sings so sweet
That she/he calls for (another child's name) down the street

(other child's name) , (other child's name) , it's a lovely day

(other child's name) , (other child's name) , are you coming out to play

Get your coat and shoes on, and tell your friends you won't be long

I'll be waiting in the playground

This week our topic is:

In The Pool

W/c 03.03.15
0-2 Room

If your child has a swimming costume and arm bands could you bring them in for the pool party, we are having one every day

If you have any books on swimming could you bring them for story time please

If you visit a swimming pool could you pick up a leaflet for our role play area

Could everybody save boxes, lids & little pots for our junk model activity in a couple of weeks

Thank You

This week we will be..

Having a pool party in the sand and water area!

We are pouring sand on material and pouring water in a tray on the floor to create a pool on the beach

Creative area—Using foam stickers to make ice creams, sunshine and water pictures.

Mark making with 3 in 1 pencils

Role play area—Changing the role play area into changing rooms for the pool party

Small world toys/people—we are going to put a small pool in the area for the children to play with

Outdoors—shaving foam in the trays

Book Corner—Reading books on swimming

Weekly Information

Thursday 5th March—World Book Day

To celebrate World Book Day dress your child as your favourite book character
