

Things you could do at home:

- Read stories about Aquariums, fish and sea creatures
- Visit an Aquarium to extend their knowledge of this topic
- Add some toy fish to bath time!

Rhyme of the Week

Please find below our rhyme of the week. We ask that you practice this at home with your child as a first step towards early phonics.

1,2,3,4,5 once I caught a fish alive

One, two, three, four, five,

Once I caught a fish alive,

Six, seven, eight, nine, ten,

Then I let it go again

Why did you let it go?

Because it bit my finger so.

Which finger did it bite?

This little finger on the right

This week our topic is:

The Aquarium

W/c 03.03.15
2-3 Room

We would like to create a collection of shells and pebbles for the children to explore. If you have any at home we would love to give them a new home!

We will be using cardboard boxes and foil to create fish tanks next week. If you have any spare boxes or foil we would be very grateful if you could send them our way.

Thank You !

Parent Consultations

Please speak to a member of staff in our room to arrange a parent meeting for the week of 16/03/2015 if required

This week we will be..

In the creative area—making fish tanks from card and foil and decorating them with paint and tissue paper.

In mark making— we will be using pens and paint to decorate sea creatures for our display

Outside—Shells and sea animals in the water trays.

Role play—Pretending to swim like a fish, wiggle like a jelly fish, move like an octopus etc.

Messy Play— Shaving foam with blue glitter and toy fish.
